ANNUAL ACTION PLAN PROJECTS

NAME OF PROJECTS

OUTPUT

**1. Flora of Chittor Dist.,
Andhra Pradesh State.
(1999-2001)**

381 F. Nos. Collected & Identified and accompanied with Ex-Scientist, Dr. G.V. S. Murthy.

Mss. for Flora of Kerala State Tribe – Dalbergieae; family- Acanthaceae (in part) & Thunbergiaceae.

**2. Flora of Banaskantha Dist.,
Gujarat State. (2002-2005)**

812-Species, 442-Genera, 116 Families.

*Protected Area:

**Balaram - Ambaji Wildlife Sanctuary
Jessore Sloth Bear Wildlife Sanctuary**

24 -New records, **13** -Papers

Nelumbo. 54: 39-91. 2012

NAME OF PROJECTS

OUTPUT

**3. Flora of Ahmedabad &
Gandhinagar Dists., Gujarat
State.(2005-2009)**

900 Species, 464 Genera, 118 Families.

*Protected area:

Nalsarover Birds Sanctuary.

14 New records, **3** Papers

Nelumbo 56: 124-182. 2014

**4. Flora of Bhavnagar Dist.,
Gujarat State. (2008-2013)**

607 Species, 343 Genera, 88 Families.

*Protected area:

Vellavadar Black Buck National Park.

3 New records, **5** Papers

Nelumbo 56: 183-224. 2014

NAME OF PROJECTS

5. Flora of Shoolpaneshwer Wildlife Sanctuary, Narmada Dist. Gujarat State. (2012-17)

Dr. S.L. Meena, Sci. - D &

Dr. Peddi Harikrishna, Bot. Asstt.

OUTPUT

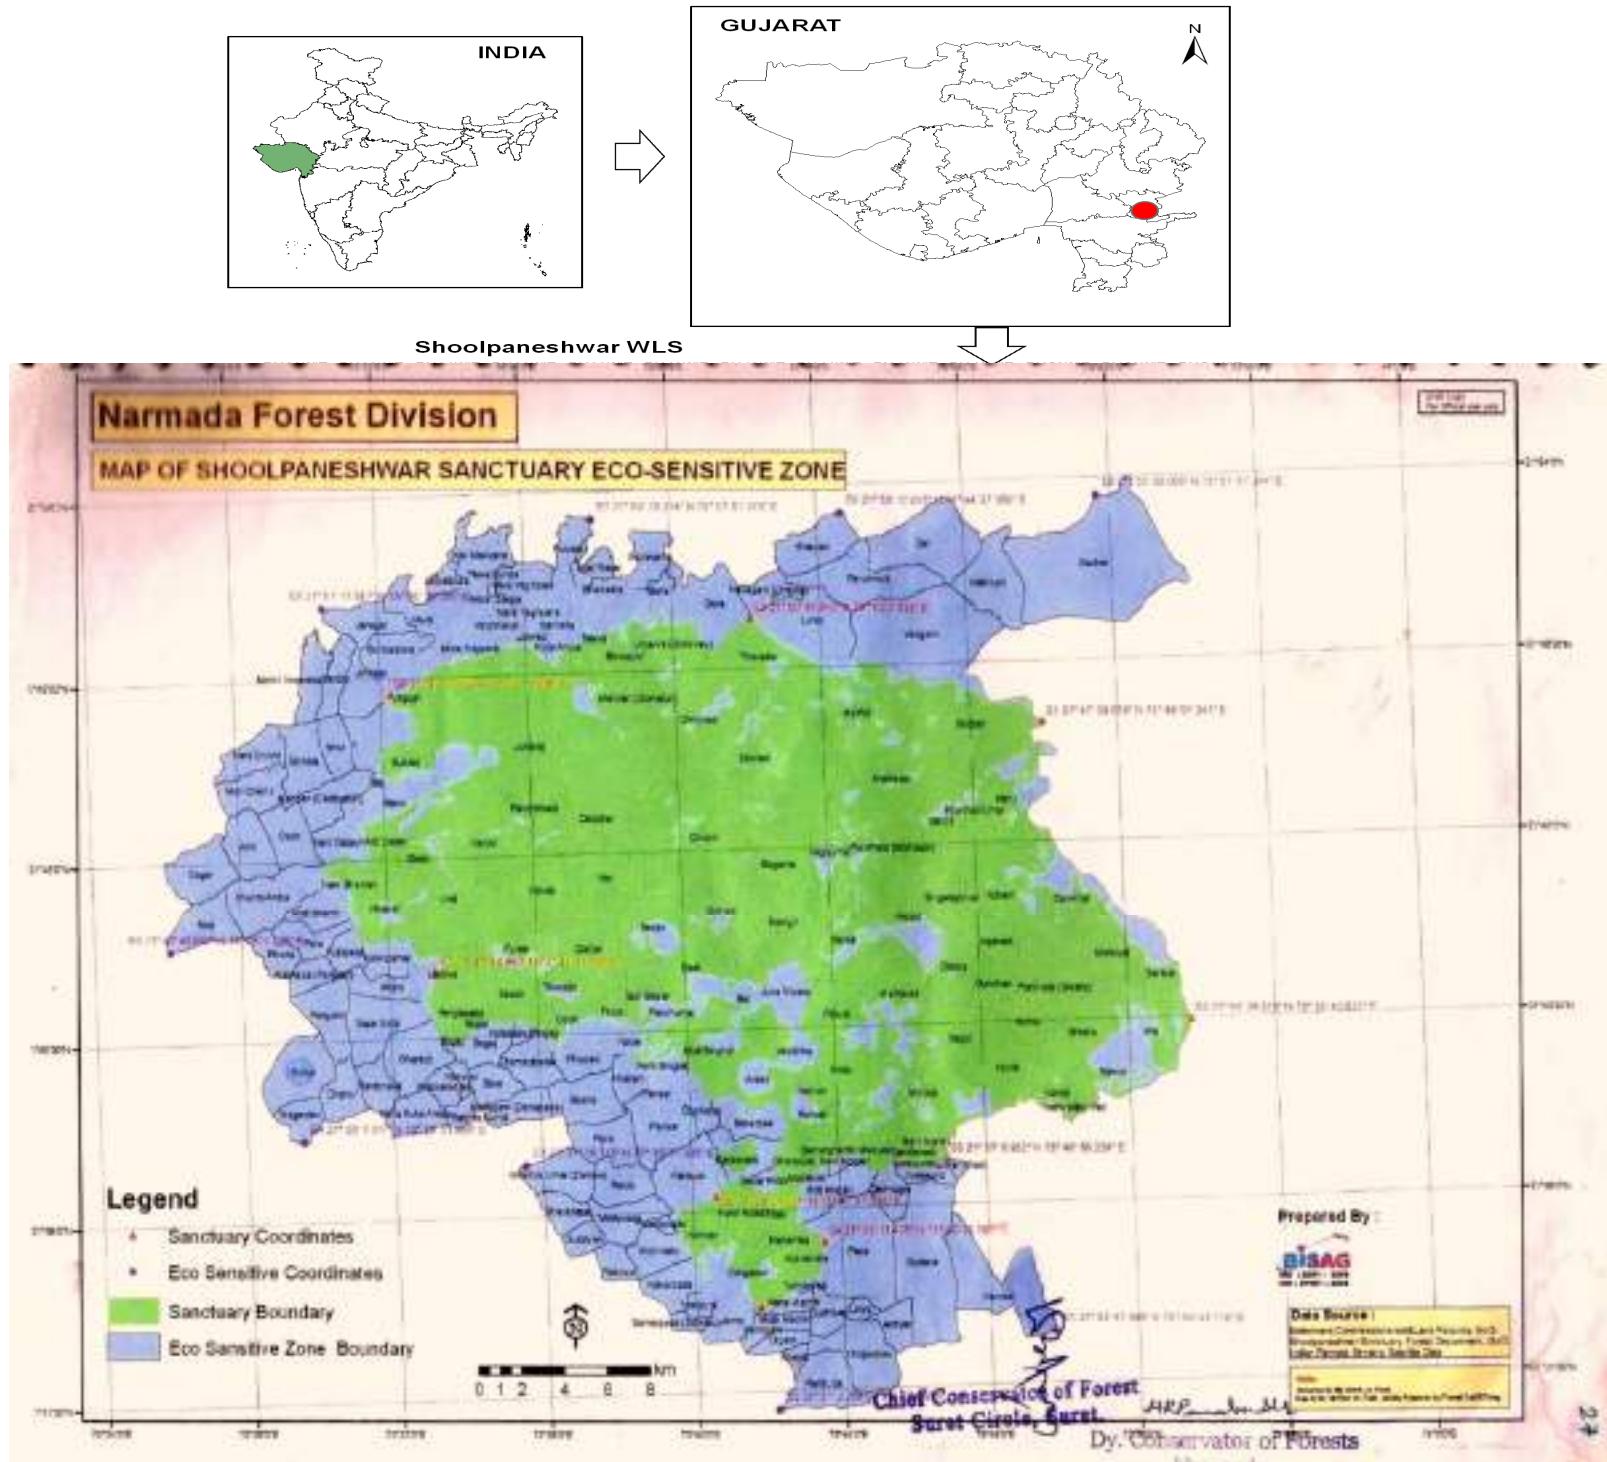

1127 F. Nos. collected

1074 F. Nos. Identified & Label written.

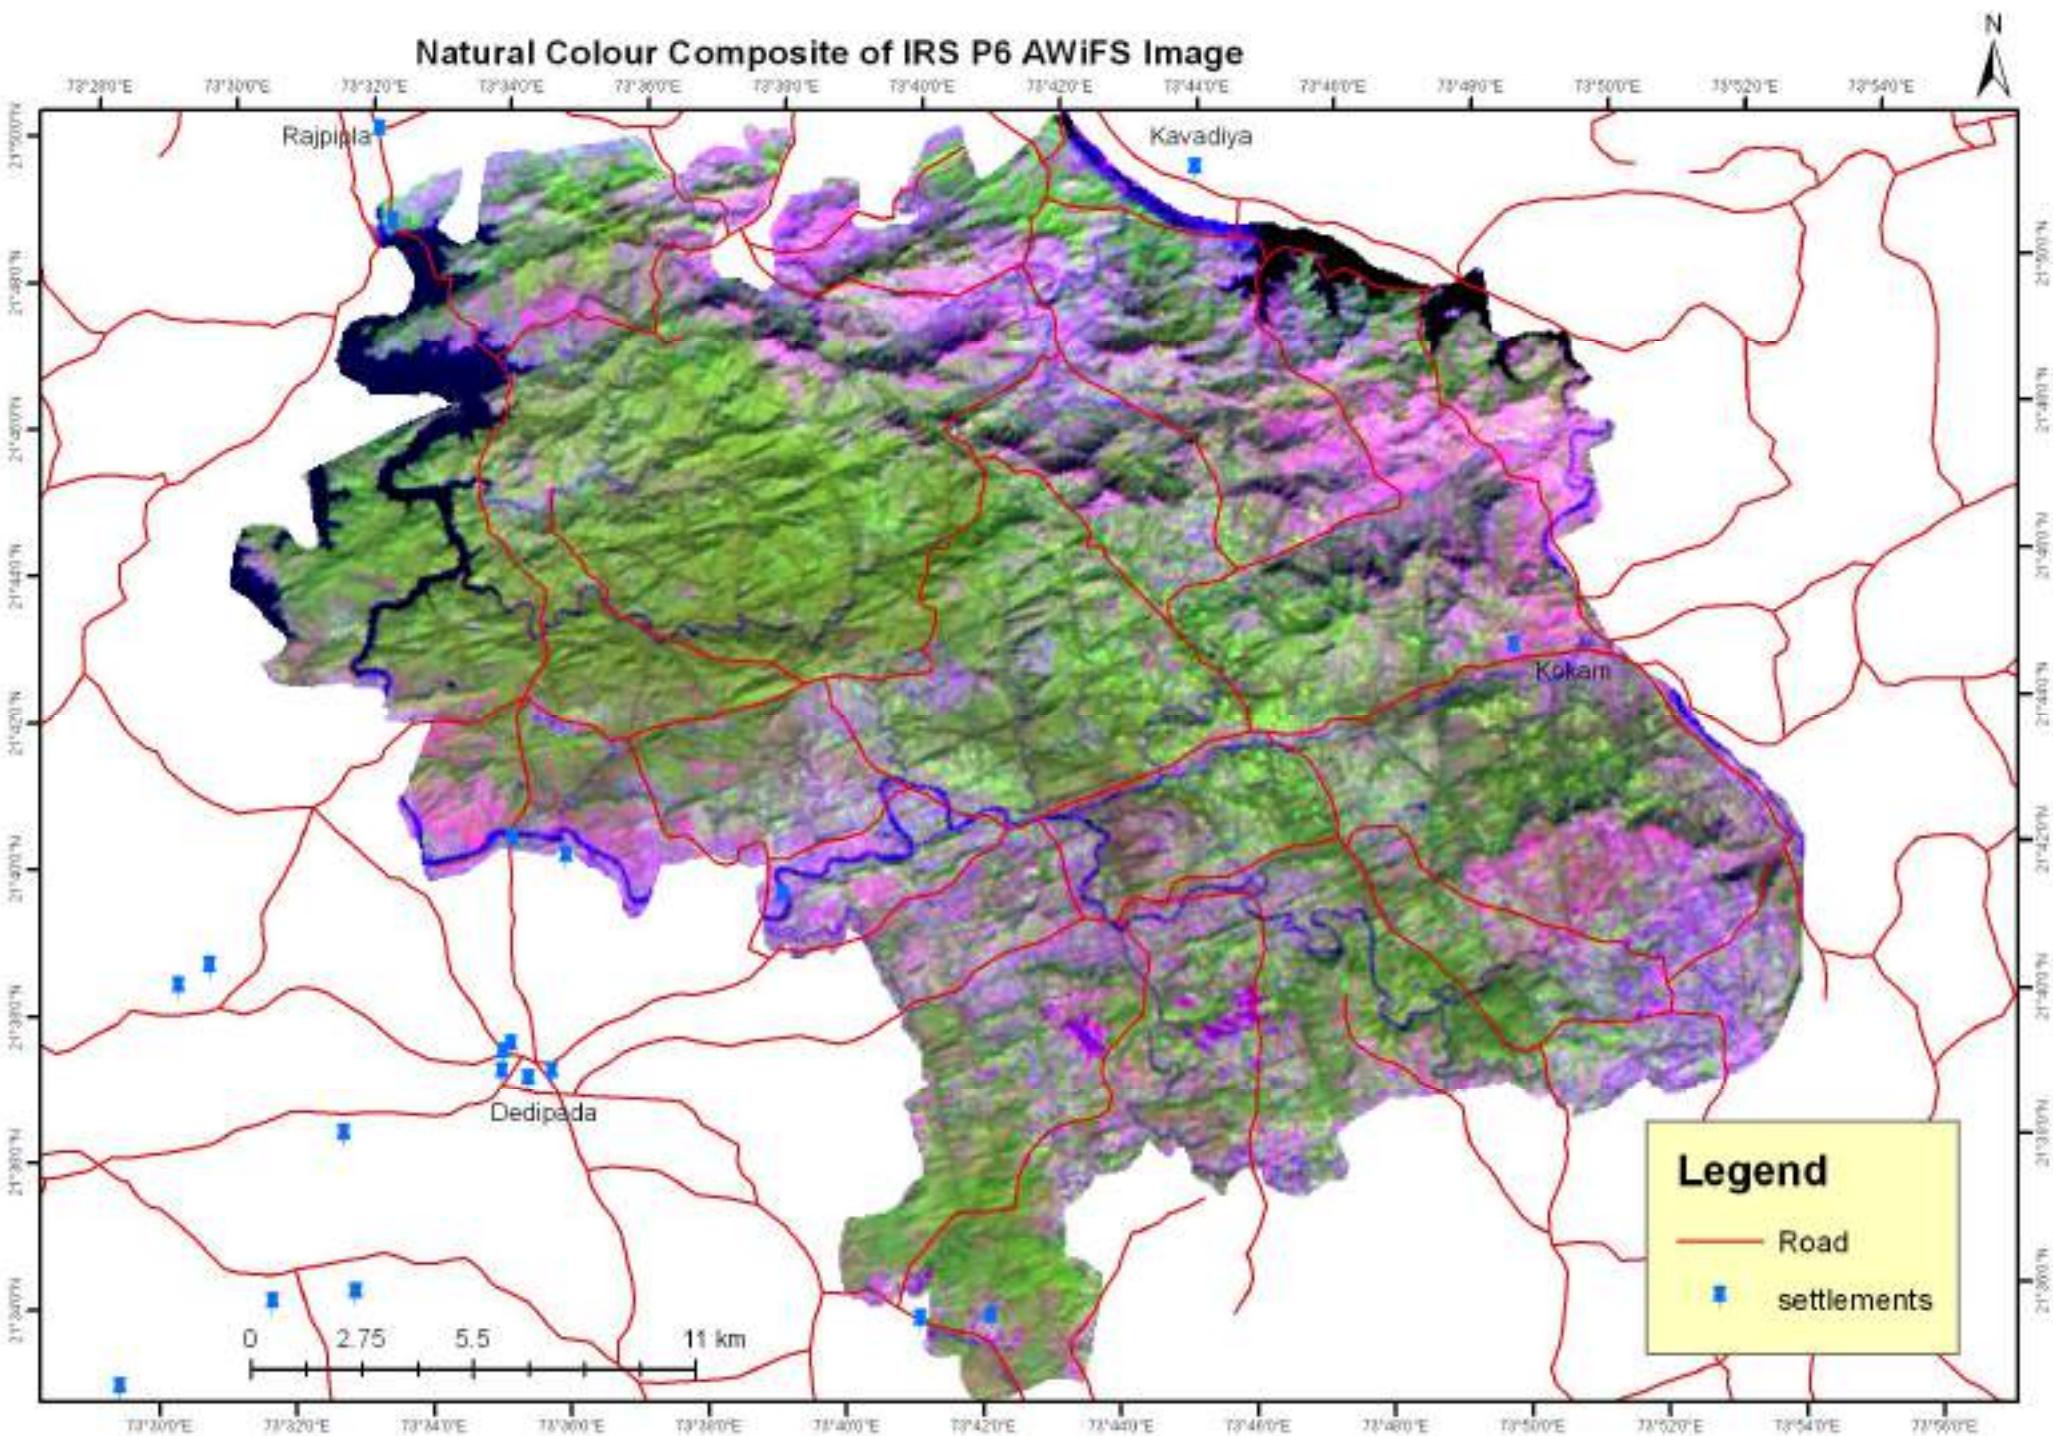

10 New records (including **2** generic records) for State Flora.

2 Paper published.

2 Papers in press.

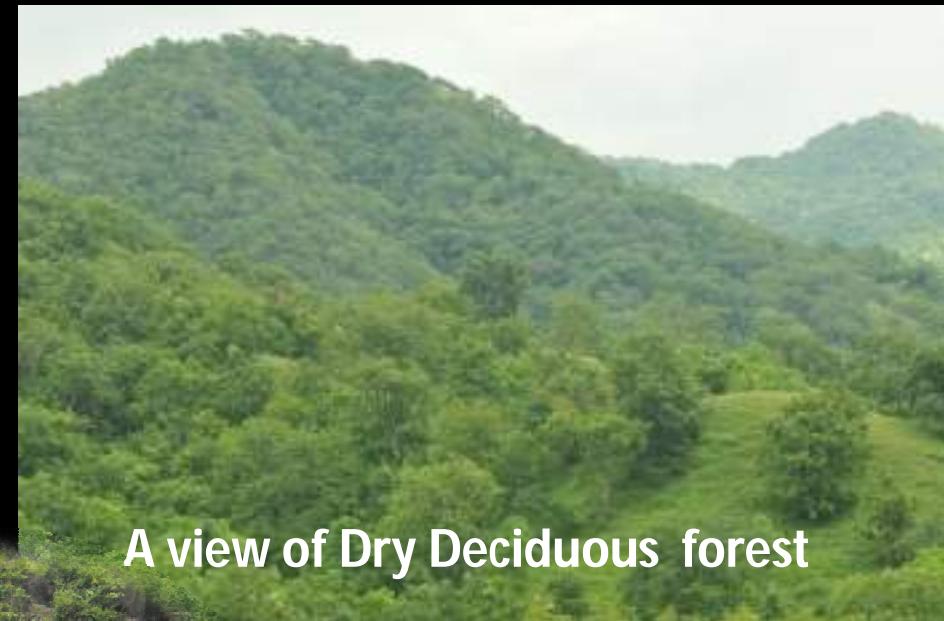

Natural Colour Composite of IRS P6 AWIFS Image

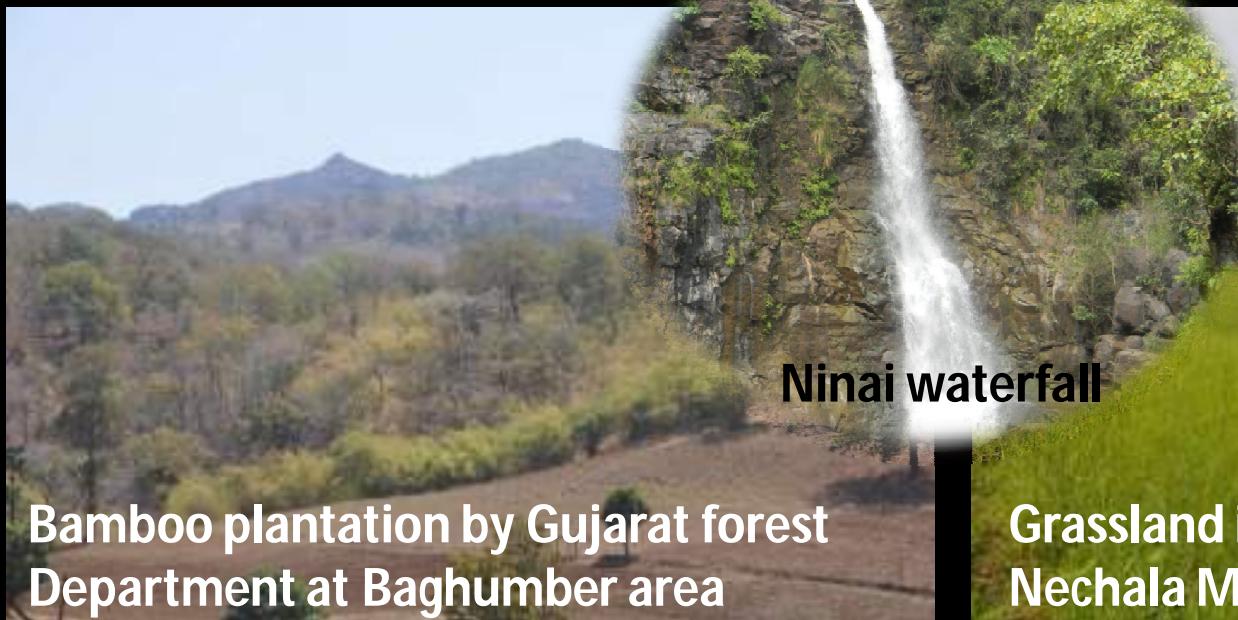

VEGETATION TYPES IN SHOOLPANESWAR WLS, NARMADA DIST., GUJARAT

A view of Moist - Deciduous forest

A view of Dry Deciduous forest

Ninai waterfall

Bamboo plantation by Gujarat forest
Department at Baghumber area

Grassland in high altitude area at
Nchala Matasar

NEW FINDINGS

Heterostemma dalzellii Hook.f.
(flower close-up in inset).

Spigelia anthelmia L.

ENDEMIC PLANTS

1. ***Ipomoea clarkei*** Hook.f.
2. ***Spodiopogon rhizophorus*** (Steud.) Pilger
3. ***Senecio bombayensis*** N.P. Balakrishnan
4. ***Senecio dalzellii*** C.B. Clarke
5. ***Tripogon jacquemontii*** Stapf

Lecture delivered

ADMINISTRATIVE WORKS

1. Worked as DDO from 1999 to 2001 in BSI, SRC, Coimbatore.
2. Worked as DDO from 2004 to Feb. 2015. in BSI, AZRC, Jodhpur.
3. Officiated as Office In-charge as and when required.
4. Worked as Store Officer from 2008 to Sept. 2016.
5. Working as Library Officer since 2008 onwards.
6. Worked as Desert Botanic garden In-charge from Oct. 2001 to 2011.
7. Worked as Herbarium In-charge from 2002 to 2015.

Number of Projects carried out : 6 projects

- a. Individual : 3
- b. Jointly : 1 (ongoing)
- c. Collaborative : 2
- d. Contributed
 - 1. Flora Kerala State : 2 (Vol. 1 & 2)
 - 2. Flora of Gujarat State : 3 (Vol. 1, 2 & 3)
 - 3. Flora of India : 2 (Vol. 9 & 18)

No. of paper published : 33 (27 National & 6 International).

- a. Individually /first author : 12
- b. Jointly/Co-author : 21

Accepted for publication – 07

No. of new reports : 51 new records for Gujarat & 02 for Rajasthan State.

FUTURE WORK PLAN

- Flora of Shoolpaneshwar WLS, Narmada, Dist. Gujarat: the report will be submitted (March, 2017).
- Jambhoghoda WLS, Chootaudaipur Dist. Gujarat State or Flora of Valsad Dist. (2017-19)
- To prepare ATLAS of Rare and Threatened plant species of arid and semi-arid environs and their conservation strategies & management.
- Exploration of the unexplored areas of the arid and semi-arid regions and filling of the gap areas of the Flora including PAN areas.
- Collaborative projects can be initiated with other Dept./Organizations.
- Supervision of the Research Scholars for Ph.D. Degree.
