BOTANICAL SURVEY OF INDIA

भारत सरकार

DO. No.: BSI - 8/1/PA/2019 1467 Date: 31.12.2021

Dear Smt. Pandey,

In reply to OM no. 24011/08/2019 - GC dtd. 25.03.2019 regarding monthly DO letter from Secretary (MoEF&CC) to the Cabinet Secretary, I am furnishing herewith the following major achievements of Botanical Survey of India for the month of December, 2021.

**Department: Botanical Survey of India** 

A. Important policy decisions taken, major achievements during the month:

Scientists of BSI reported eight taxa as new to science, including a new species in the genus Chroogomphus (Gomphidiaceae), two new species in the fungal genus Russula (Russulaceae, Basidiomycota) viz. Russula adwanitekae and Russula purpureozonata. Other new taxa include Indigofera jaisalmerica (Fabaceae) from the Indian desert, Dendrophthoe laljii (Loranthaceae) from Andaman and Nicobar Islands, Artabotrys sericeus (Annonaceae) from Tamil Nadu, Henckelia dasii and Henckelia lallanii (Gesneriaceae) from Arunachal Pradesh. Scientists of BSI also reported recollection and morphomolecular re-characterization of Indian fungus Stromatoneurospora phoenix (Xylariaceae) after 140 years from the Southern Peninsula.

During this months, scientists of BSI completed metadata of 51, 582 herbarium specimens. Also, 10 field/ local tours and 1 Herbarium Consultation

Tour were conducted

Important events / programmes organized / attended:

During this month 28 webinars, 4 workshops and 3 special events were organized throughout the different regional centres and units of BSI.

Various Regional Centres of BSI celebrated Swachh Baharat Harith Bharath programme.

- Regional Centres like BSI-HAWHRC, Solan, BSI-SHRC, Gangtok and BSI-NRC, Dehradun celebrated "International Mountain Day 2021" on 11th December 2021.
- BSI-SHRC, Gangtok participated in the regional workshop cum stake holders meet on "Mainstreaming Landscape approach for conservation & Sustainable development in Khangchendzonga Landscape India" and conducted an exhibition on the same event on 10th December 2021 organised by G B Pant Nat. Institute, Gangtok.

Dr. A.A. Mao, Director, BSI along with eight senior scientists of BSI participated in the Floral Survey of living root bridge sites for UNESCO World Heritage Site organized by Meghalaya Basin Management Agency, Government of Meghalaya. a tour from 14th - 20th December, 2021.

As a part of Azadi ka Amrit Mahotsav programme, BSI, DRC, Hyderabad organised one day seminar on 'Endangered Plant species and their conservation' at RBVRR Womens college auditorium in collaboration with Department of Botany, and Food & Nutrition, Raja Bahadur Venkata Rama Reddy Women's College, Narayanaguda, Hyderabad (RBVRR) on 30<sup>th</sup> November 2021. A total of 400 students from different disciplines participated in the program.

Scientists & Staff of AJC Bose Indian Botanic Garden attended "National Webinar on Ethno botany in Human Welfare" by NWEHW-2021 on 8th December, 2021.

BSI, APRC, Itanagar organized cleanliness drive on 6<sup>th</sup> December, 2021 in collaboration with GBPNIHE, Itanagar on the occasion of Swachhta Pakhwada.

BSI, WRC, Pune celebrated 66th Foundation day programme on 12th December 2021.

BSI, ERC, Shillong attended two Webinar on "Hybrid Rice Seed Production" and "Investing for Impact: Towards Healthier and Sustainable Diets through Research" organized by International Rice Research Institute, Philippines on 01st December, 2021 and 10th December, 2021 respectively.

Important scientific publications:

During this month 24 research publications have been published by BSI scientists in various International and National research journals (Annexure 1).

BSI Website: 1.5 lakhs visited

B. Important policy matter is held up on account of prolonged inter-ministerial consultation: NIL

Compliance of COS decisions: Nothing pending

- No. of cases of 'Sanction for prosecution' pending for more than 3 months: NIL
- Particulars of cases in which there has been a departure from the Transaction of Business Rules or established policy of the government: NIL
- Status of implementation of e-governance: PFMS, CPGRAMS, e-Publications of Nelumbo, procurement through GEM Portal and digital archives etc. have already been implemented.

Details of cases in which ACC directions have not been complied with: NIL

Status of Public grievances: 7.

No. of public grievances redressed during the month

No. of Public grievances pending at the end of month

Information on the specific steps taken by the ministry/department for utilization of the space technology based tools and applications in governance and development: NIL

With regards,

Sincerely yours

To Smt. ManjuPandey, Jt. Secretary, (CS),
