

FLORA OF NAWEGAON NATIONAL PARK AND NAGZIRA WILDLIFE SANCTUARY, MAHARASHTRA

ISBN: 978-81-970647-5-3

Authors: **Devidas N. Patil & M.J. Kothari**

Nawegaon National Park and Nagzira Wildlife Sanctuary are two important protected areas in the state of Maharashtra, which are bestowed with a diverse range of floristic wealth. This e-publication titled 'Flora of Nawegaon National Park and Nagzira Wildlife Sanctuary, Maharashtra' documents 715 species belonging to 440 genera spread over 122 families of Angiosperms. Besides the angiosperms, 7 pteridiophytes were also recorded from the study areas. Colourful photoplates, graphs, maps, identification keys moreover uses of those species in addition to the systematic enumeration are surely going to make the book popular to the botanical fraternity.
