

## DST-SERB Sponsored High-End Workshop

on

### “Plant Identification to Biodiversity Assessment”

Organized by: Botanical Survey of India, Kolkata

Venue: Central National Herbarium, Howrah

‘KARYASHALA’ scheme by DST SERB, New Delhi is an effort to improve research productivity of promising PG and PhD students from universities and colleges through high-end workshops on specific themes. This program aims to provide opportunities to acquire specialized research skills. These workshops will primarily be facilitated at organizations / institutions / laboratories of national importance

#### Who can attend?

The high end workshop on **Plant Identification to Biodiversity Assessment** is open to Post Graduate and early stage Ph.D students of Botany/Life Sciences from University/Institution within India (primarily from universities, colleges, private academic institutions) who are having a strong orientation towards scientific research and are pursuing their degree in the fields of Science and having an interest in scientific research. This Karyashala is primarily for those who do not have the access to such esteemed research environment in their parent institution.

#### Registration fee

There is **no registration fee** for the workshop. But limited to **25 students** only.

The selection of the eligible Post Graduate and early stage Ph.D students will be selected based on the recommendations of the duly constituted Selection Committee.

Hostel accommodation, food and travel by train will be provided to the selected candidates.

Selected applicant will get confirmation mail from organizers by 30th November 2022 and the list of selected applicants will also be uploaded on official website of BSI, <https://bsi.gov.in>
