Hyacinth Root

Hyacinth Root

1. The root of the hyacinth is a small, thick, tuberous root, which is found in the marshes of the Mediterranean Sea, and in the lowlands of the East Indies. It is a perennial plant, and the root is the part which is used in medicine. The root is of a yellowish color, and is covered with a thin, brownish bark. It is of a cylindrical shape, and is about the size of a small nut. The root is very hard, and is difficult to cut. It is very bitter, and is not palatable. It is used in medicine for the cure of the stone, and for the cure of the dropsy. It is also used for the cure of the jaundice, and for the cure of the fever. The root is very powerful, and is very useful in many cases.

The first of the year  
 was a very dry one  
 and the crops were  
 much injured by  
 the heat and drought.

The second of the year  
 was a very wet one  
 and the crops were  
 much injured by  
 the cold and rain.

The third of the year  
 was a very warm one  
 and the crops were  
 much injured by  
 the heat and drought.

The fourth of the year  
 was a very cold one  
 and the crops were  
 much injured by  
 the cold and snow.

The fifth of the year  
 was a very dry one  
 and the crops were  
 much injured by  
 the heat and drought.

Basel am 12. Dec. 1842

Herrn Dr. med. J. J. Schenk  
 in Basel  
 Durch die Güte Ihrer  
 Handlung habe ich  
 die Ehre erhalten, dass  
 Sie mir die von Ihnen  
 angebotene Stelle  
 als Privatdocent  
 der Anatomie  
 an der Universität  
 zu Basel  
 zu übertragen  
 gütigst  
 geneigt sind.  
 Ich beehre mich  
 Ihnen hiermit  
 meinen  
 verbindlichen  
 Dank  
 auszusprechen  
 und zu versichern,  
 dass ich die  
 Ehre  
 dieser  
 Auszeichnung  
 mit  
 der  
 größten  
 Freude  
 annehme.  
 Ich werde  
 mich  
 dem  
 baldigst  
 anstellen  
 lassen.  
 Mit  
 hochachtungsvoller  
 Verehrung  
 bleibe  
 ich  
 Ihr  
 ergebener  
 Diener  
 Dr. med. J. J. Schenk

Assessment

6-22-29

Feb. 27. 1829. G. de G. & Co. by  
King. Feb 27. 1829. 4 C.  
Bill. Oct. 1. 1824/1822  
month of Feb. 5 present  
the.

L. Amos, Gent. Chas. Burleigh  
by T. P. Park from Miss Burleigh  
about 13 July 1829. Recd. 22/29

1. In the first part of the  
 report it is stated that  
 the total amount of the  
 year is 1000 units.

The second part of the  
 report shows that the  
 total amount of the  
 year is 1000 units.
