

GREEN TALK – 3

Webinar

Commemorating
INTERNATIONAL DAY FOR BIODIVERSITY 2021

22 MAY 2021
BIODIVERSITY DAY
We're part of the solution #ForNature

Plant Diversity for Bioeconomy and Conserving Threatened Plants of India

Director
CSIR-National Botanical Research
Institute (NBRI) Lucknow

Prof. S.K. Barik

Prof. S.K. Barik is Director, CSIR-National Botanical Research Institute, Lucknow. Before joining CSIR, he was Head, Department of Botany, and Centre for Advanced Studies in Botany, North-Eastern Hill University, Shillong. For the past three decades, he has been active in diverse areas of plant science research such as plant diversity including its inventory, bio-prospection and conservation, ecological modeling, population and molecular ecology, chemical ecology, carbon sequestration and impact of climate change on species and ecosystems. Prof. Barik has successfully demonstrated the value addition of turmeric through production of turmeric leaf oil and oleoresin at community level in Meghalaya. He has published 110 research papers, 12 books and 40 technical and research reports. Fourteen students have been awarded Ph.D. degree under his supervision.

Date: 24 May 2021; Time: 12.15 p.m.
